

Holy Spirit Junior Primary School

- Pupils are required to wear the School Uniform. For safety purposes, we recommend strapped / velcro shoes. The complete uniform must be worn on all days other than days on which the children have Physical Education.
- For Physical Education, children wear a school tracksuit and runners. We recommend velcro style runners for younger children. Children are notified in September of the days on which Physical Education takes place for their class.
- All uniform items, particularly jumpers, sweatshirts, and ties, should be **clearly marked** with the **pupil's name** in order to avoid confusion and unnecessary distress. Though not specifically uniform items, coats should also be clearly labelled or easily identifiable for the child.
- For health and safety reasons, no jewellery, other than stud-type earrings may be worn in school.
- Children must have their hair tied back for hygiene purposes.
- Children are not permitted to wear nail polish in school.
