

## *What does the HSCL Coordinator (or Home-School Link Teacher) do?*

My role is to support and work with you, the parents/guardians, to strengthen the link between home, school, and community and to encourage you all to feel part of the school community as an essential partner in the education of your children. My work will involve the provision of classes for parents, providing opportunities for parents to feel a greater involvement in our school community and home visits. I am always here to support, listen and to offer advice when I can.
