

## *What is the HSCL Scheme?*

The HSCL scheme aims to improve the educational outcome of students. The scheme is in place in many schools across the country as it is recognised that parents are the most important people in their children's lives and are the primary educators of their children. It would be very difficult for us to teach your children without involving you, the parents in the process! The success of the HSCL scheme depends in large part on parents' inputs, so if you have any concerns, ideas or want to get involved in any way, please get in touch.
